

Pediatric Physical Therapist Position at Pediatric Therapy Center Houston, TX

Hours: Part-time to full-time

Schedule: You will have the flexibility to set your own schedule

Come work and play at our beautiful clinic! Pediatric Therapy Center is a therapist-owned multidisciplinary outpatient clinic specializing in the evaluation and treatment of children from birth through adolescence. Our skilled team of Physical Therapists, Occupational Therapists, and Speech Language Pathologists has earned a strong reputation for providing high-quality, collaborative care to children and families. We need another pediatric Physical Therapist who shares our philosophy and passion for working with kids!

Our ideal candidate will be a dedicated and compassionate pediatric Physical Therapist who excels at assessments, diagnostics, therapeutic interventions, and promoting physical development and functional mobility. This role is integral in improving the quality of life for our young patients.

Responsibilities:

- Conduct and maintain daily documentation, progress notes, evaluations, and re-evaluations.
- Develop individualized treatment plans based on assessment findings.
- Provide age-appropriate physical therapy interventions to children and adolescents with a variety of conditions and diagnoses.
- Monitor and track patient progress and make necessary adjustments to treatment plans.
- Collaborate with parents, caregivers, and other healthcare professionals to ensure a holistic approach to care.
- Educate parents and caregivers on home exercise programs and strategies to support the child's development.
- Maintain accurate and up-to-date patient records and documentation.
- Suggest and provide resources for adaptive equipment.
- Stay current with best practices in pediatric physical therapy and evidence-based treatment methods.
- Maintain a safe and supportive environment for pediatric patients during therapy sessions.

Why Work at PTC?

- You will benefit from a mentoring process during the first year, with ongoing support from a team that genuinely wants you to succeed.

- You will join a team of four other PTs with 40 years of combined experience, excited to mentor (or learn from you) in areas like NDT, tone management, orthotic and adaptive equipment prescription, and more.
- You will join a team-oriented culture where we share our strengths, learn from our colleagues, and truly work in partnership to support the medical, physical, cognitive, social, and emotional well-being of each child.
- You will enjoy working in our well-equipped physical therapy gym:
 - Large gym with a rock wall, floor ladder, stairs, benches, bolsters, and more
 - LiteGait for body weight-supported treadmill training
 - Galileo vibration plate
 - Plenty of open space for gait training, wheelchair mobility, bike riding, and obstacle courses.
- You will have a personal workstation to use for your documentation. We use WebPT which is an EMR that is user-friendly and designed for therapist documentation

Strong candidates will have the following qualifications:

- Master's or doctoral degree from an accredited PT program
- Prior outpatient pediatric PT experience
- Texas professional PT license or eligible
- Collaborative team spirit
- Excellent communication with ability to easily build rapport
- Desire for ongoing professional development

The following skill sets are desired to successfully care for our patient population:

- Gross motor
- Orthopedic
- Neurological
- Sensory motor
- Orthotic
- Adaptive equipment

Our therapists work as independent contractors and pay is competitive in the Houston market.
